## **STATE ROUTE 330 UPDATE** ***SR-330 TO OPEN FOR ESCORTS***

**San Bernardino County** – Caltrans will reopen State Route 330 (SR-330) to escorts beginning Monday, October 23 at 5:30 a.m. Escorts will continue on the route from October 23 to October 30, Monday through Sunday from 5:30 a.m. to 8:30 a.m. and from 5:30 p.m. to 8:30 p.m.

Beginning October 31 at approximately 5:30 a.m., SR-330 will open to traffic in both directions (two lanes available) without escorts. Intermittent reversible traffic control (flagging) will be necessary until the completion of the project, which is expected by December 1, 2006 (weather permitting).

For the duration of the project, the tree removal project on State Route 38 (SR-38) will be suspended. Tree removal on State Routes 18 and 173 will continue without lane closures, except for occasional removal of trees by helicopter. The SR-38 bridge-widening project will not impede traffic since lane closures are minimal.

Detour to Lake Arrowhead, Running Springs and Green Valley Lake, using SR-18 from SR-30. Detour to Big Bear and Fawnskin using SR-38 (take I-10 to Orange Street in Redlands, exit and go east, then turn right on Lugonia Avenue, which turns into SR-38).

Caltrans would like to thank the mountain communities and businesses for their support during this project. Caltrans would also like to thank the State Route 330 Task Force and the State Route 330 Business Support Committee for their continued efforts to make the project work for everyone. These committees were made up of local residents and business owners from the Lake Arrowhead, Green Valley Lake, Running Springs, Fawnskin, and Big Bear communities.
